

FREE (Real Estate) Diagnosis Request Form

No Obligation, No Commitment, No Sales Pitch. GUARANTEED.

Please Review The Following Criteria:

I am seriously interested in achieving a successful real estate transaction:

Yes David, I want to take you up on your offer to have a FREE Real Estate Diagnosis prepared for me! (\$279.00 value) I understand the one-size-fits-all approach, where all clients are treated identical and pigeon-holed into the same “solution” could cost me a great deal of money in this tougher real estate market.

David, I understand that there is no cost or obligation. No Selling! No Pressure! No Hassles!

I realize you don't provide this to just any Tom, Dick or Harry off the street and further, that my application must be approved by you, and I meet the following criteria:

- I'm not afraid to delegate. I appreciate and am willing to follow the advice of an expert.
- I'm serious about my real estate goals and know it takes a great deal of planning to achieve them.
- I can handle the truth... No matter what, because I know David is going to “*Tell It Like It Is.*”
- I'm willing to schedule a FREE 15 minute telephone consultation prior to our meeting, thus guaranteeing our time together will be a wise investment.

David, I understand if I'm invited to become a client, based on your diagnosis of my situation; whether you think you can help me (i.e. put together a strategic plan for my specific situation; catering to; solving specific problems, obstacles, roadblocks; achieving specific goals). Further, I understand we will need to work as a team to achieve the greatest results, and I realize your fee is not a cost, but rather an investment in legitimate expertise. One that will be, thanks to your proprietary systems, returned to me many times over.
